...Friends in Autism

This is a social interaction group for teens and young adults with Asperger's Syndrome.

This group is an opportunity to get together, play games, hang out and socialize in an atmosphere where they feel comfortable and are accepted by others.

For more information about this group and when it meets, please contact Katherine Eck at keck29@hotmail.com or on their website, <http://aspergers.meetup.com/331/>.

You can also find information on the Hamilton County Autism Support Group website, www.hcasg.org.
